

What Do You Reflect?

R.T. Nusbaum

I see Him,
and the values He upholds.
I see me,
And the battle for my soul.
I see Him,
and the life that He lives.
I see me,
still trying to forgive.
I see Him,
declaring what is right.
I see me,
drowning in strife.
I see Him,
and all of the gifts He possesses.
I see me,
All my problems and messes.

But when I see Him,
I see my reflection.
Yet when I see me,
I'm full of rejection.

I see nothing in me
Until I see You
Only in your face
Is my reflection true
